Dr. Todd J. Reuter and Dr. David A. Thompson are committed to providing the highest level of oral and implant surgery.

Our practice includes:

- Extraction of teeth and roots of teeth
- Surgical removal of impacted teeth and wisdom teeth
- Surgical exposure of unerupted teeth for orthodontics
- Pre-prosthetic surgery: preparation of the upper and/or lower jaws for dentures
- Implants for the replacement of lost teeth and to stabilize dentures
- Bone grafting to augment jaws for implant rehabilitation
- Treatment of growths, cysts, tumors, and other pathology of the teeth, mouth, jaws, salivary glands, and face
- Management and treatment of oral infections
